

Overbrook Baptist Church

Online Giving Member's Guide

Overbrook Church provides our members and guests with several secure options in which to support our church using online giving. We *DO NOT* charge convenience fees for online giving. You will receive a receipt for 100% of the amount you give via the internet. All of these methods use the highest online security encryption and technology available.

Three Online Giving Methods

E-Giving

Offers you the ability to give using Debit/Credit cards and E-checks. You will need to create a profile before you can give through this system. This system is our preferred method if you wish to set-up weekly, monthly, quarterly or yearly recurring contributions. You can manage all of your online giving transactions via the website portal.

Use E-Giving for:

- **Recurring Contributions** (debit/credit cards and/or E-checks)
- **One-Time Contributions** (debit/credit cards or E-checks)
- **Electronic Checks** (recurring and/or one time contributions)

PayPal

Many of our members use *PayPal* regularly, so we're offering this easy-to use method of online giving. *PayPal* allows you to make one-time contributions using your Debit/Credit card or *PayPal* account.

Use PayPal for:

- **One-Time Contributions** (debit/credit cards or PayPal Account)
- **One-Time Contributions using your PayPal Account**

Bill Pay – Electronic Checks

Many banks offer its clients the opportunity to make payments to companies, organizations and even Overbrook Church through its "Bill Pay" system. It's easy to set-up and use. Please contact your bank for details, fees and instructions. If you choose to use this system, Overbrook Church ***DOES NOT*** incur any processing fees for your transactions.

Use "Bill Pay" for:

- **One-Time Contributions**
- **Recurring Contributions**

Getting Started

- Go to www.overbrookbc.org and click "Online Giving" from the Menu.
- Click on the "E-GIVING FIRST-TIME USER'S GUIDE" for instructions on how to use our system.
